# Welcome to the Current Middle Ages!

From the SCA website, found at: <http://socsen.sca.org/what-is-the-sca/>

The Society for Creative Anachronism (SCA) is an international non-profit volunteer educational organization. The SCA is devoted to the research and re-creation of pre-seventeenth century skills, arts, combat, culture, and employing knowledge of history to enrich the lives of participants through events, demonstrations, and other educational presentations and activities.

Members of the SCA study and take part in a variety of activities, including combat, archery, equestrian activities, costuming, cooking, metalwork, woodworking, music, dance, calligraphy, fiber arts, and much more. If it was done in the Middle Ages or Renaissance, odds are you'll find someone in the SCA interested in recreating it.

What makes the SCA different from a Humanities 101 class is the **active** participation in the learning process. To learn about the clothing of the period, you research it, then sew and wear it yourself. To learn about combat, you put on armor (which you may have built yourself) and learn how to defeat your opponent. To learn to brew, you make (and sample!) your own wines, meads and beers.

You will frequently hear SCA participants describe the SCA as recreating the Middle Ages "as they ought to have been." In some ways this is true – we choose to use indoor plumbing, heated halls, and sewing machines. In the dead of winter, we have more to eat than King's venison, salt pork and dried tubers. However, a better description is that we *selectively recreate* the culture, choosing elements of the culture that interest and attract us.

*Unto the Populace of One Thousand Eyes, do We, Stephan and Amber, Baron and Baroness, send Greetings and Salutations!*

Unto the Populace of One Thousand Eyes, do We, Stephan and Amber, Baron and Baroness, send greetings and Well-Wishes!

How time flies! It seemed like such a short time ago that we were choosing Our Champions! Congratulations to our continuing Arts and Sciences Champion, THL Helena Boccardi, and Lord Sigrothr Melrakkiah as our Fighting Champion, and Haraldr Sky Taan is our new Thrown Weapons Champion. There was a Memorial Thrown Weapons Tournament to remember our beloved Baron Tomas, which was won by Baron Stephan. The day was full of chivalry and daring-do, and made beautiful by Our talented artisans. It was really a perfect day. Thank you to THL Reynhard, for running such a fun event!

THL Helena Handbasket organized a demo at the local Renn Faire, with tremendous success. We have some very enthusiastic new members because of it, who have hit the ground running, and their excitement is contagious! Vivat! Because our camping started so much later this year, it's hard to believe that we are close to seasons end. As we retreat from cooler temps back into our homes, We would entreat the Populace to the making of largess. For Baronial Birthday in November, it has been tradition to pay Our taxes to the Crown with great Pomp and Ceremony. This display of generosity of largess to the Crown is unequalled in Our Kingdom! Let us show that we can continue to support the Kingdom with our abundance. We would finally ask everyone to continue to monitor social media for updates regarding masks and the ever-changing rules concerning our ability to gather in groups. We wish everyone to be safe and healthy.

In Service to The Dream,

Stephan, Baron.    Amber, Baroness

*From the Office of the Seneschal*  
*THL Reynhard von Reutte*

Hello everybody!

First, a warm welcome to the several new members of our populace! We are very happy to have you here and hope that you feel welcomed and included.

Since my last letter to you we have run a very well received event in June (I am told that it was the Society's very first event after their re-opening), attended the East Idaho Renn Faire with great results, the mask mandate was lifted, we have Baronial Birthday on the calendar for November 20, our Baron and Baroness have been granted a one year extension by Their Majesties, the Kingdom has heirs who will soon ascend the thrones (perhaps by the time you are reading this), we are well underway in planning our 2022 events, we are getting our officer positions filled, A&S activities continue to happen, we have been successfully running two fighter practices a week, and we are gaining new members with much promise. All of this (and more) in just the past three months! Great job everybody!

Unfortunately, this plague that haunts the world seems to want to stage a fight rather than just die away. Because of this, the Kingdom is finding itself having to re-instate the mask wearing mandate at all SCA activities. This will go into effect as of September 10. Simply put, this mandate requires that people wear a mask when in a public area where people are gathered, and all indoor venues. In other words, if you are around other people. The bit of good news out of this is that fighters may remove their masks while fighting. They must put them back on while they are not fighting. Also, while in private camps people are not required to wear masks unless the camp desires it.

But the work continues on. The Barony will continue to plan its Baronial Birthday event for November, we are receiving our bids for our events in 2022, and we continue to re-build our officer corps. We are also working on growing our populace and our activities. In the near future, you will notice that the Barony will be coordinating more activities outside of our events and, in fact, you will see some changes even to our events as well. Any organization, in order to grow, must continue to adapt to meet the changing conditions. Stay tuned as we continue to navigate through these uncertain and changing times.

You might say that we are living in interesting times.

Reynhard von Reutte  
Seneschal

## *Welcome our new Social Media Officer*

Greetings to the Populace of 1000 Eyes,

I am Reina Delaire and I have been recently appointed as the Barony of 1000 Eyes Social Media Officer. It is my job to distribute social media content on various channels, gather and bring to you exciting content from the Known World, and report to you information brought forward from Kingdom.

I have been a member of the SCA for only 3 years and have only know what the SCA what for 4 years. From what I have seen from searching for SCA information I want to see more of what the Society can do! But as a new member I have struggled to find my place within the Barony. What could I contribute to the Barony of 1000 Eyes? Who do I talk to about each subject matter? Who is who within the Barony? And how do I address each person? Which ultimately means all the new members we are receiving will feel the same. I have put together a project to help all members learn more about the Barony. I will be putting together profiles of each member of the Barony and placing them on our Facebook page within an album that any member can access. These profiles will have pictures (garbed or not), your SCA name, your office if you hold one, how to address you, and your interests. This is strictly to mass introduce everyone in the Barony and have an area where new members can find some one of the same interests and learn!

I am dedicated to being the eyes for the Barony so you will notice an increase in traffic on the page with updates on the Barony!

Yours in Service,

Reina

Mka Kay Meixner

Greetings Populace of Artemisia,  
Their Majesties Daman and Veronique with Their Highnesses Sean and Nisa bring greetings to you all.

The Covid virus that has plagued the Kingdom for nearly two years is making a resurgence with variants spreading faster including symptoms that are far more severe. Breakthrough transmission amongst even the fully vaccinated are also on the rise. The increased transmission give us great concern for the well-being of Our populace as we try to move to in-person events. We are reinstating the mask requirement for the Kingdom of Artemisia. This mask requirement will become effective at Harvest War/Coronation, September 8, 2021, and will be in effect until further notice. Masks will be required for participation at all official SCA functions in Artemisia, including branch fighter practices, business meetings, and other activities as appropriate.

Masks are required at indoor events:

- For all activities regardless of location including public and private spaces.
- o Masks may be removed for limited time periods when eating, drinking or fighting.
- o Masks must be put back on in a reasonable timeframe after these activities have been completed.

Masks are required at outdoor/camping events:

- In all public spaces
- Court, royal/baronial pavilions, merchant areas, gallery areas utilized for watching marshal activities, gate etc.
- Any area designated as high traffic/high population
- This list is not all inclusive and can be amended to individual site accommodations and spaces.
- Please be respectful if event staff designate an area as mask required, even if it was previously considered private (IE a private encampment is hosting a class open to anyone on site can be changed to mask required etc)

Masks are NOT required at camping events:

- While speaking in a court situation, and promptly replaced
- Within your own personal camping area
- Households and individuals can designate their personal camping areas as mask required as they see fit, please respect the choices of the those members of the populace.

We desire our populace to be as comfortable as possible in their private personal settings, but the safety of the kingdom shall always be our greatest concern. We ask everyone to be considerate of the risk and exposure that you may present to members of the populace and take reasonable precautions to limit that risk. If you have any questions or concerns, please reach out to your group Seneschal, Kingdom Seneschal, the Crown or the Heirs.

If you wish to express those concerns to us directly you may send an email to [comments@artemisia.sca.org](mailto:comments@artemisia.sca.org) with any questions or concerns.

Thank you for being the best Kingdom

Arrow's Flight Toys for Tots 2021 November 13th Payson, Utah

Toys for Tots returns, but trouble is afoot in Arrow's Flight. Under the last full moon, the howls of wolves echoed through the shire, and in the morning, a grisly scene was found. All of the carefully gathered toys the shire had collected were gone. The knight marshal said he had seen the toys taken by a man with the head of a wolf. A werewolf here in the shire!

Good nobles, we need your help to gather new toys for the most deserving children we serve and to hunt down the cruel toy-thieving werewolf in our midst.

Join the Shire of Arrow's Flight on November 13th from 10 AM - 6 PM for a spooky Toys for Tots event. Please bring new unwrapped toys to our toy drive or donate to the online Facebook fundraiser toy drive for the U.S. Marine Corps Toys for Tots program. The group with the most toys collected will be declared the most generous in the Kingdom of Artemisia and win the rights to display the swords of generosity. The individual with the largest donation of toys will be dubbed the most generous in the land and bear the giving dagger. Each physical toy or \$5 online donation will count as one point towards a group's total toys. Toys may also be gathered by seneschals in groups throughout the kingdom to be counted towards their totals.

The day will be filled with games, tournaments, and mystery as we hunt for the werewolf and celebrate gathering once again. The event will include a heavy tournament, rapier tournament, a scary story bardic, and A&S competition, all with prizes for the winner and a chance for shire folk to become a champion of Arrow's Flight. If you find the werewolf among the attendees at the event, you'll be able to claim the stolen toys for your group's total, so be on the lookout. Be careful, though; if you accuse the wrong person of being the wolf, there are consequences.

Toys for Tots will take place at the Historic Peteetneet School and Museum in Payson, Utah. 10 N 600 E, Payson, UT 84651

Directions make your ways to the King's Highway ( I-15) and take Payson exit 250. Travel South to 100 North and Turn left (East) Traveling to 600 East. Turn right (South) the Peteetneet School is on your Right. The event will be in the auditorium. Look for the signs.

Adults \$10 (+\$5 Non-member Surcharge Fee)

Children 4-7 \$5 (+\$5 Non-member Surcharge Fee)

Children 3 and under guests of the shire.

BARONIAL BIRTHDAY

November 20, 2021

The bounteous harvests have been laid away in storeroom, cellar and still room. The herds have been brought into the winter pastures. Cheeses are wrapped for aging and herbs are dry, crushed and packaged. The candles are dipped, and the wood is gathered for the hearth fires. All about are the signs of the Earth readying herself for the long winter's nap. The days have grown shorter, the nights are longer, and the nip of Jack Frost is in the air. Soon the snow will fall and cover the land in its white gown and the denizens of the kingdom will disappear into their dens and caves.

Tis time for the quiet season of the turning of the wheel, a time to relax and survey the bursting larders with pride in a harvest well done. Ladies will turn their attention to the crafts of the home; embroidery, weaving, preserving the fruits of labor. Men will gather armor and weapons to be repaired and refurbished over the winter days and nights.

Join the Barony of One Thousand Eyes in a celebration of the grand harvest and the Barony's Birthday. There will be Fighting! There will be Games! There will be Gossiping! The Powers That Be willing, there will be Feasting!

Come prepared to bask in the congeniality and goodwill of the Heart of Artemisia as The Barony marks the date of its birth.

Will there be games? Yes! Beyond the annual cribbage tournament, we will have lots of other medieval games to enjoy. Will there be music? Yes! Some of the finest music the kingdom can offer. Will there be classes? Yes! We will have classes and maybe even classes about classes. Will there be dancing? Yes! The dancers of the Barony have been practicing their steps and will be eager to share. Unfortunately, there will be no feast or fighting as is traditional, but we will make up for that in revelry and friendship. In addition to all these things, Their Excellencies, Raven and Sajah, have asked if they might petition to extend their reign for another 2 years so that they might be able to help as we continue to return to doing the things we love in person. A confidence polling will be held to determine the minds of the populace on this matter. Look for more communication on this coming soon. We hope to see you at Solstice!
