Welcome to the Current Middle Ages!

From the SCA website, found at: <http://socsen.sca.org/what-is-the-sca/>

The Society for Creative Anachronism (SCA) is an international non-profit volunteer educational organization. The SCA is devoted to the research and re-creation of pre-seventeenth century skills, arts, combat, culture, and employing knowledge of history to enrich the lives of participants through events, demonstrations, and other educational presentations and activities.

Members of the SCA study and take part in a variety of activities, including combat, archery, equestrian activities, costuming, cooking, metalwork, woodworking, music, dance, calligraphy, fiber arts, and much more. If it was done in the Middle Ages or Renaissance, odds are you'll find someone in the SCA interested in recreating it.

What makes the SCA different from a Humanities 101 class is the **active** participation in the learning process. To learn about the clothing of the period, you research it, then sew and wear it yourself. To learn about combat, you put on armor (which you may have built yourself) and learn how to defeat your opponent. To learn to brew, you make (and sample!) your own wines, meads and beers.

You will frequently hear SCA participants describe the SCA as recreating the Middle Ages "as they ought to have been." In some ways this is true – we choose to use indoor plumbing, heated halls, and sewing machines. In the dead of winter, we have more to eat than King's venison, salt pork and dried tubers. However, a better description is that we *selectively recreate* the culture, choosing elements of the culture that interest and attract us.

We would love to get to know you!

Unto the Populace of One Thousand Eyes, do We, Stephan and Amber, Baron and Baroness, send Greetings and Salutations!

As we all bask in the warm summer rays, we would thank everyone who participated in Uprising War XXXIII. After a two-year hiatus, it was wonderful to host friends again in a successful camping event! The Barony is already planning on Uprising for next year!

First, we had a confidence polling, and it was announced that we have heirs! THL Reynhard Sebastian von Reutte and THL Crestina da Brescia (Ray and Vanessa Michel) will step up as the new Baron and Baroness of 1000 Eyes when we step down at Baronial Birthday, November 19, 2022. What a glorious day that will be! Congratulations to their Next-cellencies, may their reign be full of health and happiness!

Awards were given out at Uprising! We had 4 Peacock's Hearts awarded for service: THL Crestina da Brescia, Lady Hildegard von den Pfauen, Lady Reina l'Archer, and Lord Loxly of Cote du Ciel. The OPUS for arts was awarded to Lady Reina l'Archer and the Order of the Iron Talon for martial arts was awarded to Lord Thorston Kvendolfson. Vivat to all who were recognized for their contributions! The Crown had a few awards as well. Congratulations to our new Lord and Lady, Wolfgang and Hildegard, now resplendent with their new knives and belts with their AoAs! And to their son Killian, for being the newest member of the Gryphon's Pride! Also, Lord Reynarius Delaire received his Golden Scarf for rapier. Vivat!

We would like to thank everyone who made this year's Uprising War a success! The site was beautiful and has promise to being better year after year. The gate was run smoothly and efficiently under Lady Hildegard and her staff of intrepid volunteers! THL Crestina provided wonderful classes with great diversity, THL Reynhard was up to the challenge of being land coordinator at a new site. And to everyone who lifted, toted, cried the camps, and helped with setup and takedown, you have our undying gratitude. And to Lady Reina, event steward, three cheers for taking on Uprising as your first event, you were brilliant! Vivat! Vivat! Vivat!

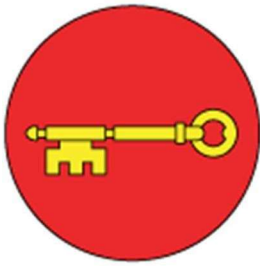

One of Barony's outstanding traditions is to provide the King and Queen some largess of amazing proportions at Baronial Birthday! To see the Barony approach the thrones with platter upon platter of the bounty of Our Land is a sight not to be missed. We would like to encourage everyone to help make or otherwise donate to the largess for this event. Let's continue with this tradition. We expect to have a large turnout with the Investiture and added Queens's Prize.

And to close, we would ask everyone to approach as many people, and situations, with kindness. We are all gentles and noble-born. The magic of the SCA is greatly dependent on us stepping out of our mundane world and troubles, and aspire to be the better, kinder, chivalrous folk of our personas. It's not always easy, but it is always rewarding.

In Service to The Dream,

Stephan, Baron

Amber, Baroness

From the Office of the Seneschal

THL Reynhard von Reutte

I must admit that it feels great to see the SCA back in full swing again and being so busy this summer, but phew ... we all have to remember how to SCA again, I think. A lot of us are remembering what it is like to be so busy. The Barony has come out this summer in great fashion. In the past three months, we have hosted Crown Tournament, witnessed our own members of the populace, Yuri and Sumayya, become the Crown Prince and Princess, run a nicely attended and overall successful Uprising, and manned a pavilion for four weeks at the East Idaho Renaissance Faire.

We continue to grow our martial arts programs, seeing the numbers in both heavy fighting and rapier steadily increase, and we are in the works of starting a regular archery practice very shortly to see if we can also get archery going in the area. And perhaps most importantly, we are seeing several newcomers join our ranks. Bringing new people into the SCA is the secret to our success. New people bring fresh energy, ideas, and excitement into the Barony. We must all do everything we can to help the new people coming into our Barony to feel welcome, and to get on their feet in their own pursuit of The Dream. There are so many of you I want to thank for being ambassadors to the Barony and working with our newcomers. It is exciting for me to see so much enthusiasm and excitement in One Thousand Eyes.

So lets now turn our focus forward to the next several months as we begin to prepare for our Baronial Birthday event. This year it will also add not only the pomp and circumstance of a Baronial Investiture, but also the glory of Artemisia's Queen's Prize. This A&S event is a perennial favorite for all artisans, whether as a new student to an art getting the chance to display their efforts, or as a sponsor who gets the chance to showcase somebody's talent, or as a Laurel getting the chance to see the growing talents of the Kingdom.

While you are thinking about the Arts and Sciences, please also remember that Baronial Birthday is our annual tribute to the Kingdom where we pay our taxes. The Kingdom greatly appreciates our generous offerings of largesse and the Barony has a long-standing tradition of showing everyone the abundant talent and generosity of our populace. If you need ideas for things you might provide to the Kingdom, please seek out our A&S people, our Laurels, and our Minister of Arts and Sciences for suggestions and help.

From the Office of the MOAS
THL Helena Handbasket

Greetings!

I am Honorable Lady Helena Handbasket. I have agreed to be the MoAS of One Thousand Eyes in May of this year. This is my second time being MoAS for our barony.

As MoAS, I coordinate classes for events, classes throughout the year at fighter

practices or at other locations, and help with the Arts and Sciences competition (Baron's

Champion). I try to get people in touch with other SCAdians who can help them

achieve their Arts and Sciences goals. In my reports every month to the Kingdom Arts

and Sciences Minister, I let Maestra Magdalena know what is going on within our

barony (arts and sciences-wise). So, please let me know of your progress!

If any of you are working on any projects of which you would like me to report, or have

help with, please let me know! I enjoy seeing your progress in your endeavors!

Should you need help how to document a project for a competition, please let me know.

I am here for you. Also, if there are any classes you would like to have taught in our

barony, please let me know and I will endeavor to make it happen. I plan to have A&S

Night held every two weeks, time and place to be decided. Please do not be shy. I

am here to help you!

YIS,

THL Helena Handbasket

This harvest season will be celebrated with heavy and rapier combat prize tournaments involving some special rules. Fighters planning on participating should bring their best and favorite single handed weapons.

The artists of our Kingdom are also invited to compete in a prize tournament. Raptor War XXXI

|

Group:

[Arn Hold](#)

Date:

Friday, August 26, 2022 - 14:00 to Sunday, August 28, 2022 - 12:00

With cautious optimism we call all to meet under the banner of friendship in the illustrious lands of the Golden Moose and celebrate the ending of plague mandates across the land while simultaneously showing our marshal prowess to the raiding barbarians! In the time of our forebearers such momentous occasions were marked with great pomp and circumstance, grand tourneys of parades and chivalric deeds, to which we shall add our A&S displays, and bardic showings. Come see our mighty warriors and artisans, bards and orators' polishes, painted, and bedeck in fashions of celebration.

Though the raids upon our shipments to and from our Eastern cousins' harbors have lessened during the preceding years as our baronies have joined forces against them, it is time again to assemble upon the field of battle as both a warning to the swamp things and a show of commitment to our treaties. Raptor War is that annual show of commitment and a time for neighbors to congregate in the brotherhood. An opportunity to show that we are united even as our enemies plot and scheme to divide us. All are encouraged to wear their finery as we witness the skills our artisans have learned and cultivated during the long nights of isolation. Join us in greeting long unvisited friends, meeting new ones, and cheering our warriors as they display feats of heavy combat, rapier, and archery. It's a day for games and dance, singing and storytelling. The long winter has waned, and new life is upon us.
